

SYED SULAIMAN USMAN

sulaimansyed417@gmail.com | +91 8073272474

EDUCATION

REVA UNIVERSITY
B. Tech in Computer Science
And Engineering
Aug 2023 - May 2027(Expected)|
Bengaluru, India
CGPA:8.07/10

UNDERGRADUATE

Data Structures and
Algorithms
Database Management
Systems (DBMS)
Operating System
Computer Networks
Cloud Computing

SKILLS

PROGRAMMING LANGUAGES

JavaScript, C, Java, SQL

WEB TECHNOLOGIES

HTML, CSS, Node.js, REST APIs

CLOUD & SYSTEMS

Linux, Networking Fundamentals,
Personal Cloud Setup, AWS: EC2, S3

TOOLS

Git, GitHub

PROJECT & EXPERIENCE

PERSONAL CLOUD SERVER | Linux, Networking, Storage

- Built a personal cloud system to store and access files remotely
- Configured storage management and system monitoring

Cloud-Based Route Optimization System for Indian Roads

JavaScript, Google Maps API

- Designed routing logic optimized for narrow Indian roads
- Implemented vehicle-fit based path selection

PORTFOLIO WEBSITE | HTML, CSS, JavaScript

- Developed a responsive portfolio to showcase projects

CLOUD FILE HOSTING SYSTEM | AWS EC2, AWS S3, Linux

- Designed a cloud – based file hosting system using Amazon S3, "Linux"
- Set up and configured an EC2 instance for server access and deployment
- Worked with SSH, basic IAM concepts, and Linux server management
- Focused on understanding cloud fundamentals such as scalability and access control

CUSTOM AIRCRAFT CONTROL YOKE | Hardware Designed System

- Designed and built a functional aircraft control yoke as an aviation enthusiast
- Focused on ergonomic design and realistic control input mechanism
- It's a Boeing 737 Aircraft yoke resembling its design

ACHIEVEMENTS & ACTIVITIES

- Built multiple self-initiated projects focused on cloud and system fundamentals
- Actively learning cloud technologies and backend systems through hands-on projects

CERTIFICATIONS

Art of C Programming – NPTEL (SWAYAM) | Jun 2024

- 4-credit certified course covering core C programming concepts (proctored exam), Credential ID: KK04049684

AI Tools and ChatGPT Workshop – Be10X | Jul 2025

- Hands-on workshop on practical use of AI tools for productivity and automation, Credential ID: 20250714120701

Microsoft Excel – Beginner to Advanced (Udemy) | Nov 2023

- Training in formulas, functions, Credential ID: UC-25730ce9-6804-4d4f-a75b-e54bbd9f7149

Crash Course on Python – Google (Coursera) | In Progress

- Learning Python fundamentals for scripting and automation
